Project Ideas/Suggestions

- Our new 2-year state project focuses on your student council’s service to others. After all, it’s “not about us...it’s about YOU!”
- This project offers an unlimited smorgasbord of possibilities. Any project that focuses on groups other than the student council will be appropriate. It can be a school group, a community group, a national or international group, etc.
- **“Dude. be nice”** project—The IASC is partnering with Dude. be nice to promote kindness in your community. Visit their website—[www.dudebenice.com](http://www.dudebenice.com)—to access a weeklong planning guide, to access videos of other school’s projects, and much more. The IASC has Dude. be nice t-shirts with the IASC logo for purchase. Please contact Rob Zeider—[rob.zeider@iasc.us](mailto:rob.zeider@iasc.us).

Have a project you’d like to share with other IASC member schools. Please email Rob Zeider—[rob.zeider@iasc.us](mailto:rob.zeider@iasc.us). We’ll share it!

The State Project is a requirement of Honor Councils. Please remember that projects can be used once to meet Honor Council criteria.
