All high school students who attended our 2019 *Summer Leadership Workshop/Camp – SLI* are invited to be a part of this new program. Facilitated by IASC officials and members of our 2019 Camp staff, it will rejuvenate student council members and provide the fuel needed to get you to the end of the second semester. Winter Energizer will be a great opportunity to reconnect with colleagues who attended SLI, practice leadership skills, network and share ideas. The weekend will not only be motivating, but also thought-provoking. Student leaders will return to school with a renewed excitement and confidence.
